A GOOD START WITH RECORD
HIGHS AND CLEAR, SUNNY SKIES,
EXPECTED TO CONTINUE!

The prospects are good ...
But then again, they always
are here at the Zirm

OK, we'll admit it - we've had something
to do with this particular forecast ourselves.
This year, we've booked the entire mountain-
stage setting just for you. Time to take off the
rose-tinted glasses of daydreams and put on
your adventure goggles: Once again, our
autumn ticks every wow-factor box you can
think of! Read on to find out more ...

MORE FREEDOM IN YOUR FREE TIME

MORNING - NOON - EVENING

no matter when, from now on it will be even freer and
more flexible

When your stomach growls in the morning, there's an
imperial breakfast from 7.30 - 11.00 am.

**When the Chill-Mood makes its appearance in the
afternoon,** it's so marvellous on our panoramic terrace:
It's a great place to squint into the sun with a fresh beer and
a colourful Aperol Spritz.
And a few snacks from our lunch menu?
Welcome, we create them with a lot of ZIRMtastic guest love.

And for dinner?

That's where the pleasure of freedom really begins:

- our "Ready to Go" gourmet boxes in different variations,
to enjoy on your private loggias & terraces - credo: always
enjoy what you can!
- our 'Cirmolo' panorama restaurant, an exquisite à la carte
treat
- all your favourite dishes prepared in your private kitchenette
- cooking together has always been fun
- or you just fancy a day out? Of course, we'll give you our
top insider restaurant recommendations
