KEEPING YOU ASTOUNDED:

3 GUIDES, 3 TOURS

When Katia, Manuel and Tito show you the most beautiful spots of the Dolomites, you'll be lost for words. All through the week from Monday to Friday. Absolutely ZIRMtastic!

AS YOU CAN SEE, THERE'S A LOT TO LOOK FORWARD TO!

And the minute you get here, your holiday will start in style! A sociable drink, fresh mountain air and breathtaking views from our panoramic terrace are as fabulous as they sound.

Could life get any better? Well, it could actually - the drink is on us! CHEERS!

OH, AND ONE LAST THING:

If you've ever heard that that besides the irresistible Zirm cuisine, the daily tea-time in the afternoon, with homemade cakes, coffee & tea, the ingenious Wednesday evening buffet or the legendary dessert buffet on Friday should really be outrageously sinful, ... What can we say? Guilty as charged!

But then again, as we always say in our plea of defence: after all the wow-moments in the mountains, you've certainly earned it. So pay no heed, and enjoy it to the full!
